## PART A. CERTIFICATIONS

### INSTRUCTIONS

#### Section 1: APPLICATION AFFIDAVIT

CEC §94719, 94742, 94802 (a) (6), 94818, 94846, 94836, 94857; CCR §73110, 73120, 73130, 73165

#### 1.1 Institution

- A. The institution name must be the legally registered name of the school. Type the name precisely as it appears on supporting documents, such as the articles of incorporation, fictitious name filing, or non-profit status filings. If applicable please provide a copy of the Fictitious Business Name Statement. Use this name consistently in your application materials and school catalog.
- B. To operate in California, a private postsecondary educational institution must maintain a California street address. There must be a primary administrative location, which is the institution's principal place of business, where records are kept.
- C. A post office box number can be designated as a mailing address, but not as a primary administrative location.
- D. Be certain to include the area code for each telephone or FAX number.
- E. The street address of each location at which the educational services or education program will be offered, including the identification of the institution's main campus, branches and satellites. Attach additional sheets if necessary.

#### 1.2 Ownership and corporation status Specify the type of ownership:

- A. An individual owner is the same as a sole proprietorship. One person owns all assets and liabilities of the institution.
- B. A partnership exists when two or more individuals share ownership by virtue of a written partnership agreement.
- C. A corporation exists when formal articles of incorporation are created, signed, and legally registered with the California Secretary of State. If you checked "Corporation," specify the state where incorporated.
- D. Specify the tax status: "Non-Profit" or "Profit". If "Non-Profit", specify if "Public Benefit" or "Religious".

#### 1.3 Owner(s)

Identify the name, street address (not a P.O. Box), telephone number, and driver's license number of each owner. Attach an additional sheet if necessary. If the owner is a corporation enter the legal name of the registered corporation in California.

#### 1.4 Institution's Contact Person

Designate an individual who the Bureau will contact to discuss the application and schedule the site visit review. This person must have the authority to conduct transactions on behalf of the institution.

1.5 Agent for service of process within California

Identify a person who has consented to act on behalf of the ownership as the designated agent for service of process and upon whom legal papers may be served. The designated agent for service of process must provide a California address, not a post office box, which is not the institution's primary administrative location.

1.6 Institutions operated by this owner

A. Each owner of the institution must disclose the names and addresses of all private postsecondary institutions currently operated in California. This applies to the individuals whose names appear in subsection 1.3 and whose signatures appear in subsection 1.9. Refer to §94846 and 94836 and §73130.

B. Each owner of the institution must disclose the names and addresses of other private postsecondary institutions operated in California in the past seven years. This applies to the individuals whose names appear in subsection 1.3 and whose signatures appear in subsection 1.9. Refer to §94846 and 94836 and §73130.

1.7 The owners are to certify to these statements under penalty of perjury. Attach an explanation for each "Yes" response.

1.8 The owners are to certify to these statements under penalty of perjury. Attach an explanation for each "Yes" response.

1.9 Declaration under penalty of perjury

The application is a legal document. Submit only original signatures. It must be signed by each owner, partner or member of the board. If the institution is incorporated, each owner of ten percent (10%) or more of the stock must sign. If it is incorporated and the stock is publicly traded through a stock exchange, the president or chief executive officer of the corporation must sign. If it is a non-profit corporation, each member of the governing body must sign (§73440).

## PART B. APPLICATION INSTRUCTIONS & QUESTIONS

### INSTRUCTIONS

**RESPOND TO EACH ITEM IN EACH APPLICATION SECTION BY PROVIDING A CONCISE ANSWER THAT IS COMPLETE IN AND OF ITSELF, FOLLOWING EACH QUESTION. DO NOT RESPOND, “SEE CATALOG” or “REFER TO SECTION A.” or “SEE ATTACHED AT APPENDIX”. PLACE EXHIBITS OR EXAMPLES IMMEDIATELY AFTER EACH QUESTION.**

IF A QUESTION DOES NOT APPLY TO THE INSTITUTION, PROGRAM/COURSE OR EDUCATIONAL SERVICE, WRITE “NOT APPLICABLE” AND THE REASON WHY THE ITEM IS NOT APPLICABLE TO THE INSTITUTION. For example, “Not Applicable, we do not advertise placement services.”

It is not necessary to repeat the question, or list each response on a separate page. **HOWEVER, EACH SECTION SHOULD BE SEPARATED WITH A DIVIDER OR TAB LABELED WITH THE NAME/NUMBER OF THE SECTION.** Please number the pages of the application.

For purposes of this application, the term “course” or “program” is used to describe the “educational service” or “course of study” that you are seeking approval to offer. A “course”, “program” or “educational service” is either a single course/program or a related series of course/program. For a definition of “course of study” and “educational service,” refer to §94725 and §94729 of the Education Code.

For example, you may offer a course/program called “Medical Assistant-Front Office.” This course may be made up of a series of classes such as “Insurance Forms,” “Introduction to Computers,” and “Scheduling.” In this case you would provide information for the course “Medical Assistant-Front Office”, (the individual classes will be listed on the clock hour form as part of section 4). If the course is only one class, then the course is the same as the class.

### THE APPLICABLE REGULATIONS AND STATUTES

Each section of the application contains the applicable California Code of Regulations (CCR) and California Education Code (CEC) reference for that section. It is important that you read the pertinent sections of the Regulations and Education Code before responding to the questions in the application. In addition, the Regulations contain additional instructions for the following schools: Cosmetology Schools (refer to §73760); FAA Certified Flight Schools (refer to §73470); Truck Driving Schools (refer to §73480).

### INSTITUTIONS WITH MULTIPLE LOCATIONS

Application Affidavit (Part A) must be completed for each institution. Institutions that offer the same course/program or class at multiple locations need to submit each applicable section of the application for each of those locations. In addition, the applicable fees must be paid for each “Main and Branch Location”. You must also complete the questions in the application that are unique to that location.

### INSTITUTIONS REGULATED BY OTHER FEDERAL OR STATE AGENCIES

Institutions that are regulated by other federal or state agencies must be able to demonstrate compliance or the intent to comply with the applicable federal or state regulations at the time the Bureau conducts the site visit.

## Section 2: MISSION AND OBJECTIVES

CEC §94915 (b), 94790, 94785, 94786; CCR §73350

### 2.1 State the Institution's mission and objectives.

The mission statement describes the institution's purpose and the kind of education or training offered. This statement should describe the student population for whom the instruction is intended and the expected outcomes for graduates. Vocational institutions should describe the occupation for which the course prepares students.

### 2.2 If the institution claims exemption from Article 7, commencing with Education Code §94850, cite the basis for the exemption and reference the applicable Education Code Section.

Institutions approved under Education Code §94915 may be eligible for the institutional exemption from Article 7. To determine if your institution is exempt, read Education Code §94785.

Example: The institution claims exemption as a non-profit public benefit corporation under Section §94785.

If the institution is exempt from Article 7, then it must comply with §94800.

### 2.3 If a course of study or other educational service offered claims exemption from Article 7, commencing with §94850, cite the basis for the exemption and reference the applicable Education Code Section. If a specific course is exempt from Article 7, then it must comply with §94800.

While the institution may not be exempt from Article 7, some of the courses offered may be exempt. To determine if any courses are exempt from most of Article, read §94790. Note: All courses must comply with §94832 and §94831.

#### Section 4: DESCRIPTION OF COURSE

CEC §94725, 94915 (b), 94854, 94873, 94875; CCR §73200, 73210, 73230, 73700, 73280, 73710, 73880

- 4.1 For each course of study, provide a course syllabus that complies with CCR §73880, and complete the Instructional Clock Hour Disclosure, Form 1 in the Form section Part C.
- 4.2 For each course of study, provide the following information:
- A. A description of the equipment to be used during the course. Specify the ratio of students to equipment. For each item of equipment, indicate whether it is owned, leased, rented, or licensed for short or long-term, or owned by another and used without charge.
  - B. A projection, and the bases for the projection, of the number of students that the institution plans to enroll in the course during each of the three years following the date this application is submitted.
  - C. State the number of faculty needed and the academic and experiential qualifications to teach the course.
  - D. For new institutions only or if the course has not been offered by the institution within the prior year, provide a feasibility study establishing job market demand. The feasibility study should include the following information:
    - 1. Projected number of graduates from other vocational training programs in the labor market area.
    - 2. The average starting salary.
    - 3. The average salary, from sources such as the employment classifieds or the Private Industry Council (PIC).
    - 4. Other pertinent data collected within the last two years, such as the availability of jobs in the field, or the projected number of jobs in the field.
  - E. For new institutions only or if the course has not been offered by the institution within the prior year, provide **three** employer letters for **each** program to be offered, on employer letterhead with a mailing address and telephone number, and include original signatures (copies are not accepted). The statement should indicate that each employer:
    - 1. Reviewed the course curriculum and equipment used in the course (specify the program(s) reviewed).
    - 2. Finds that the curriculum and equipment satisfy the job training needs of employers in the labor market area.
    - 3. Would be willing to hire graduates of the course based on the training offered if the employer had job vacancies.
    - 4. Does not have a financial interest in the institution, and the institution's owner does not have a financial interest in the employer's business.

- F. For all institutions, describe how the institution will gather data, at least annually, from employers to determine whether the institution's curriculum, instruction, equipment, or other materials meet changes in the contemporary job market as described in CCR §73700 (c).

4.3 If the instruction is represented to lead to employment that requires state or local licensure:

- A. Describe the educational requirements for state or local licensure and how the instruction prepares students to satisfy those requirements and to prepare for the licensing examination.
- B. Provide the exam passage rates for students who completed the course during the previous twelve months.

4.4 If the institution offers a course in a language other than English, provide the following for each course:

- A. The number of students grouped by the language in which they are fluent.
- B. The language in which the course will actually be offered to each language group of students.
- C. The number of instructors who will teach each language group of students and the instructors' qualifications to teach in that language.
- D. The language of the textbooks and other written materials to be used by each language group of students.

4.5 For schools offering truck driver training programs please respond to each item in Section 73480 and 94925.

Section 5: INSTRUCTORS

CEC §94915 (b), 94920; CCR §73270, 73660, 73690

5.1 For each instructor, provide the following information:

- A. Name.
- B. Certificate of Authorization (CERT) #.
- C. CERT expiration date.
- D. List the classes the instructor will teach.
- E. The total number of hours per week the instructor will be present at the location where the instructor teaches.

If the instructor does not possess a CERT, specify the date the application was submitted to the Bureau.

## Section 6: FACILITIES

CEC §94915 (b); CCR §73280, 73280 (d), 73290, 73710

To avoid incurring any additional expenses, the Bureau recommends that you consider postponing the finalization of any lease documents for facilities or the hiring of any instructors until such time as you have been notified that your application has been reviewed pending approval.

- 6.1 Submit a floor plan of the physical facilities for each location at which the course or education program will be offered. The floor plan should include building diagrams or campus maps. The diagrams or maps should identify the location of classrooms, laboratories, workshops, and libraries.
- 6.2 Describe the physical facilities, including the square footage and room capacity, and the number of students to be accommodated in the facility.
- 6.3 Describe the library services, general holdings and other learning resources.
- 6.4 Explain how the library is sufficient to support the instructional needs of students and to prepare students for the occupations or job titles to which the educational services are represented to lead.
- 6.5 If a library does not exist, describe any other arrangements that the institution might have to assure that students have access to library facilities.
- 6.6 If distance learning instruction is offered, describe the policy and procedures for supplying the library and learning resources to these students.
- 6.7 Please provide a current Fire Inspection Report.
- 6.8 Provide a map and directions for driving to your main campus from the nearest major highway or freeway. The map may be hand drawn, and should include north/south/east/west designations.

## Section 7: STUDENT RECORDS

CEC §94915 (b), 94800, 94829; CCR §73160, 73170, 73310, 73420, 73765, 73780, 73900, 73910

- 7.1 Describe how educational records are or will be organized, maintained and stored. Will academic and financial records be maintained in separate files? Specify the types of documents contained in student files. The student's files shall, if applicable, contain the information as described in CCR §73900.
- 7.2 Submit a sample of the forms used to maintain student attendance, grades, and previous education and training.
- 7.3 Submit a copy of the document awarded upon successful completion of the course as described in CCR §73780.
- 7.4 Describe the procedures for security and safekeeping of records. If the institution stores records on computer disk, microfilm, microfiche or any other method of records storage, describe how the institution will ensure that its students' records will be protected from loss or damage, as described in CCR §73910 (c).
- 7.5 Complete the Custodian of Records/Student Complaints Designee, Form 2 in the Form section Part C.

## Section 8: STUDENT SERVICES

CEC §94802 (a) (2); CCR §73300, 73330

- 8.1 Describe the available student services, if any, including provisions for academic counseling, tutorial programs, and textbook purchases.
- 8.2 Describe the job placement assistance available to students, including the amount of staff time allocated to job placement assistance, a description of the resources utilized, and any special services offered to students seeking employment.

## Section 9: ADMISSION STANDARDS AND GRADUATION REQUIREMENTS

CEC §94723, 94865, 94872, 94875, 94915 (b), 94800 (b); CCR §73220, 73240, 73360, 73750

- 9.1 State the minimum level of education and preparation required for admission.
- 9.2 Describe the grading standards, scholastic regulations, attendance policies, and dismissal and suspension policies.
- 9.3 Describe the graduation requirements for each course.
- 9.4 If home study or correspondence instruction is offered, describe the attendance and student course assignment schedules.
- 9.5 Institutions offering courses that must comply with Article 7:
  - A. Describe the test(s) used to measure the student's ability to be successfully trained to perform the tasks associated with the occupations or job titles to which the course of instruction is represented to lead.
  - B. State the minimum score, if any, which the test's developer indicates a prospective student must achieve to demonstrate an ability to be successfully trained to perform the tasks associated with the occupations or job titles to which the course is represented to lead.
  - C. State the minimum passing score used by the institution.
  - D. If the institution accepts a lower minimum passing score than is indicated by the test's developer, state an explanation of why the institution accepts a lower minimum passing score.
- 9.6 Institutions that offer instruction in English as a Second Language:
  - A. If ESL instruction is tied to the student's enrollment to receive another educational service, please explain the enrollment requirements.
  - B. If ESL instruction is offered before or at the same time as another course in the English language, specify and describe the test used to determine whether the student:
    - 1. Has attained adequate proficiency in written and spoken English to comprehend instruction in English.
    - 2. Can be successfully trained by English language instruction to perform the tasks associated with the occupations or job titles to which the educational service is represented to lead.
    - 3. Has attained a level of proficiency in English reasonably equivalent to the level of English in which the licensure examination is offered.
  - C. If the institution offers ESL instruction to students who need ESL instruction to use already existing knowledge, training, or skills.
    - 1. Describe how the institution documents that ESL instruction is necessary to enable those students to use their existing knowledge, training, or skills.

2. Specify and describe the test used to determine whether students have attained adequate proficiency in written and spoken English to use their existing knowledge, training, or skills.

Section 11: CATALOG AND OTHER PUBLICATIONS

CEC §94814, 94859, 94831, 94802, 94832; CCR §73190, 73320, 73750, 73760, 74140

- 11.1 Submit a current catalog as described in CCR §73750, §74310 and complete the Catalog Certification, Form 3 in the Form section Part C.
- 11.2 Submit representative copies of advertising and other statements disseminated to the public in any manner by the institution or its representatives. Refer to §94832 (g) & (i) and §94831 for advertising guidelines.
